

Minutes AGM 2024-2025

- 1 MINUTES OF LAST AGM
- 2 COMMITTEE REPORT
- 4 TREASURER'S REPORT
- 5 HONORARIUMS
- 6 CHANGES TO RULES
- 7 APPLICATIONS FOR NEW TEAMS
- 8 ELECTION OF NEW COMMITTEE
- 9 ANY OTHER BUSINESS

Apologies: A Clarke (Treasurer)

The committee congratulated all teams for performance and sportsmanship during the season. With little to no issues, and most importantly good banter over a long season.

Some great individual performances along with a tight battle toward the end for the overall league winners.

The financial breakdown was gone through, with an indication of around £400 will be left in the account after everything is finalised after the presentation night.

Honaraiums will continue as in previous seasons.

There are no rule changes to the International rules this season to highlight.

New teams: The Ark (Most of the 47s players) , Alberts Corner (Previous Arena Team), Dishers Royals (New team) no issues with these joining us, and welcome for summer league.

The committee will continue as-is, as there were no proposals for anyone new. This is Simon Nadin Chairman/Secretary | Andy Clarke - Treasurer | Rob Skupski - Supporting Role and Webmaster

Proposals

C Hancock (WWL) - lag for every frame break in all competitions except knockouts

(Every frame in all team events (league, TKO, Plate))

12 for

2 against

Committee said although this was agreed to, as it was not unanimously agreed, and there were some reservations noted, we will trial it over the summer league. Long as there are no issues with this, it will be added into the main league permanently.

A Forster (Steventons) - Remove timing rule, explained as sick of being asked if timing.

- 3 for scrap timing

- Voted to keep timer - this means every league game MUST be timed, and should not be asked about.

M Craggs (White Lion) - Money instead of trophies, or the option at least.

2 for

10 against

Trophies will remain as the prizes for next season.

A Clarke -

Individual 8 ball break trophies scrapped name goes on wall of fame trophy given to player with most in a season (any player who has never done one could get one at committees digression proof may be required)

This was unanimously agreed

Add semi final trophies for poty as this is as high a comp if not more than singles now

No one agreed to this. Felt it was a participation award.

Scrap trophies singles and dbls semi finalists

12 for

This was agreed, so from 2025-2026 season, we will only be presenting winners and runner up trophies in all competitions.

3.s and 5.s runners up to be decided based on entries committee decision at time we know teams entered

Voted unanimously to keep all runner up trophies.

Simon -

Trial rackem app for winter league and no books. This will break even on costs but help with updating KO draws etc...

Paper written if no access to Internet, and sent directly to Simon.

Agreed as a trial to see if it works well.

Team events to be on Wed nights only.

Statement rather than a proposal

Team fee - £270. 2 x payments £135 to register and £135 before halfway.

League agrees that committee are in charge of the finances and what is collected/spent.

So if committee feel this will still be stable, then will work for teams.
